

ELEVATE YOUR STANDARDS

For Vertical Barrier Protection

Safety bollards help protect loading dock doors, in-plant office corners, and warehouse equipment from accidents by creating a vertical physical barrier.

Strong protection is provided by a square structural steel tube anchored to the floor.

- ▶ Solid, Quality Construction
- ▶ Easy, Fast Installation
- ▶ Functional, Reliable Design
- ▶ Painted Safety Yellow

Specifications:

Square Steel Tube - 5" x 5" x 3/16"

Solid Base Plate - 10" x 10" x 3/8"
